

Project Number: 2016-1-RO01-KA203-024630

Communicating with Parents

Practical Activity: Difficult parents

Problem addressed: difficult parents; parent resisting vaccination of the child

Soft skill: **Emotional intelligence; persuasion**

Method: **Standardized patient (parent) – simulation**

- 1) Preparation before class
Participants are asked to visit anti-vaccination forums and collect the main concerns of parents regarding vaccination
- 2) Participants meet the Standardized Parent simulating the real parent who's against vaccination
- 3) Participants are given feedback (SP, other physicians, trainer)
