Techniques of reassurance

Communicating in a multicultural environment

Practical Activity: Techniques of Reassurance

Problem addressed: Avoid misunderstandings

Soft skill: **Communication skill**

Method: **Discussion**

1. Let your students discuss the following model.

The four C's – Improving the doctor-patient-communication

What do you **Call** the problem?

What do you think **Caused** the problem?

How do you **Cope** with your condition?

What are your **Concerns** regarding the problem?

2. Watch the video in class. Analyze the difference between the two doctor-patients consultations. Let the students discuss in groups.
